Albrecht-Duerer-Memorial-Award

To commemorate the 500th anniversary of Albrecht Duerer's birth on 21st May 1971, the Nuernberg-Fuerth Area Section of the German Amateur Radio Club (DARC) has decided to create an Albrecht-Duerer-Memorial-Award to be awarded to licensed shortwave amateurs throughout the world subject to the following conditions:

10 QSOs with different DOK B11 stations of the Nuernberg-Fuerth area to be worked within the period from 1st Jan. 70 to 31st Dec. 72. Stationes from District B: only 1971. Neither band or mode, nor qth-restrictions in portable or mobile operation. Preferential conditions to apply to amateurs resident outside Germany.

European countries: To obtain 10 QSOs required, applicants may rework during 1972 any B11 station already contacted in 1970 and 1971.

Overseas and DX-countries: To obtain the 10 QSOs required, applicants may rework their B11 contacts once a year during the period specified.

Send 4.— DM or 1 US $ or 10 IRCs and confirmed log extracts to the Award manager along with your QSL-card, for to count QSL-cards must be in possession of your Nuernberg-Fuerth-partners. Applications will close on 30. June 1973.
